

Europe for Citizen
Programme

The Municipality of Alimos, the Lead Partner of the project entitled "Encouraging young people to build a better Europe – IN NEET" at the 5th project meeting in Portogruaro, Italy.

The Municipality of Alimos, in the framework of the European project "IN NEET: Encouraging young people to build a better Europe", in which participates as the Lead Partner, attended the fifth meeting held in Portogruaro, in Italy, between November 18-20, 2022.

The project "IN NEET: Encouraging young people to build a better Europe" is implemented within the framework of the European Program "Europe for Citizens". Its main objective is to promote the active participation of the younger generation in the actions of the European society through the promotion of employment and the assumption of an active role in the social, political and cultural life of their country.

The partners' meeting in Portogruaro contributed to the emergence and exchange of good practices aimed at strengthening the role of the youth in the European society. Additionally, various forms of guidance and opportunities that can be offered at local, national and European level were presented through the action entitled "WE are not NEETs! Guidance and opportunities for the youth in EU".

Europe for Citizen
Programme

In addition, through the implemented actions, such as the conduction of interviews and the creation of a relevant video, the major role of the European Union in combating the phenomenon of social exclusion of younger age groups and in creating inclusive societies based on the values of equality, inclusiveness and non-discrimination was highlighted.
